

Vegreville Composite High School to Host Charity Tournament

On December 11th and 12th, 2015 Vegreville Composite High School will be hosting a Senior High Boys and Girls Basketball tournament.

The Vegreville Composite High School Basketball program would love to have our fans come out to as many games on the weekend of the 11th and 12th as possible to cheer on all of the teams involved. Participating teams are travelling from nearby communities such as Tofield and Lamont, and from more distant communities, such as Boyle, Bonnyville, Kitscoty, Rimbey and High River. Games begin at 11:00 AM on December 11th with the Vegreville Composite Sr. Girls team facing off against Lamont High. Games conclude on Saturday, December 12th with the Sr. Boys Final at 6:45 PM.

We ask all fans to bring food bank donations, if possible, to our games to help out our community. A schedule of games is listed below. We would love to see young fans and aspiring basketball players at our games for support.

Vegreville Composite High School
